COMMUTER CHALLENGE

June 5 - 11, 2005

Whether you're getting (re)acquainted with your bike seat, bus pass, rideshare partner or walking shoes, or these modes of transportation are familiar friends, thank you for participating in the 2005 Commuter Challenge. The reasons for getting involved in this national campaign are many:

Clean air. Climate change. Physical fitness. Friendly competition.
Great prizes. Free food.

By filling out a pledge form, you've let the campus and wider community know you're part of the transportation solution. Kudos to you!

The button you receive with this card is a stylish way to announce your participation in the Challenge AND your ticket to a free pancake breakfast on Fri June 3.

Taking the bus? Ride the HSR for free all day on Wed June 8 when you wear a special HSR Clean Air Day sticker, available as of Wed May 25 from the Compass Information Centre in the Student Centre or the security desk at the Downtown Centre.

Free bike repair at the Commuter Challenge tent outside Gilmour Hall courtesy of MACycle Co-op, June 6-10 from 11 a.m. to 3 p.m.

Bike buddy program links novice and experienced cyclists for their commute to campus. Connect to your buddy through ACT at Ext. 24772 or ACT@mcmaster.ca.

McMaster parking permit holders can "cash in their pass" for the month of June.

Lunch for your department is on us if you've got the highest participation rate. Choose from the University Club or an off-campus venue.

Grand prize is a VIA Rail business-class round-trip for two anywhere in the Windsor-Quebec City corridor, to be drawn from all campus participants!
